HALF TRAY = 6-8 PEOPLE		
FULL TRAY = 12-15 PEOPLE		

## MEET FAT SAL

What weighs twice as much as you but looks way better on the barbecue? Fat Sal! You never know when he'll be grazing behind the bar, telling stories that will make you laugh until your ribs hurt or selling his trademark steak sauce. He's always down to have udders of fun, so when you see him, say hello and raise a glass of milk... or beer... whatever's near!
